Maxim è una proposta di "taglia forte" nelle dimensioni (raggiunge i 2,80 metri di lunghezza) ma promette anche forti emozioni, grazie al particolare mix di materiali: legno, vetro e ceramica, con particolare effetto materico.

Maxim is proposed in an extra large size (it reaches a length of 2.80 metres) but also promises strong emotions, thanks to the special blend of materials: wood, glass and ceramic, with a particular down-to-earth effect.

UN BEL PROFILO

Il profilo a 45° delle gambe in acciaio e la forma prismata di quelle in legno del tavolo allungabile Universe sono segni grafici immediatamente riconoscibili. La struttura può accogliere piani di diversi materiali e lunghezze, per un universo di ambientazioni.

A good profile
