DNEVNI BORAVCI I PREDSOBLJA

LIVING ROOMS AND ENTRYWAYS

DNEVNE SOBE IN PREDSOBE ZA UDOBJE VAŠEGA DOMA.

Ljudje smo družabna bitja, življenjsko smo odvisni od srečevanja in druženja. Srečni smo lahko, če se naše socialno življenje odvija v urejenih, barvno usklajenih in našim potrebam prilagojenih prostorih. Prvi v vrsti takih prostorov je vsekakor naš dom, kjer je naš vpliv na urejenost bivalnega okolja lahko največji.

Po lastnih željah si uredimo dnevno sobo, ta glavni prostor druženja in počitka. Dragoceno je, če lahko opremo izberemo tako po količini, vrsti, barvah… Predsobo si kot prostor srečevanja, odhajanja in vračanja prav tako uredimo po lastnih idejah glede barv in oblik. Pri tem ne gre pozabiti na dodatne potrebe, kot sta shranjevanje oblačil, obutve in ne nazadnje - končni pogled v ogledalo.

Tako opremljeni prostori so privlačni tako za stanovalce kot za obiskovalce - pritegnejo nas k sebi. **MAGNET PAČ!**

DNEVNI BORAVCI I PREDSOBLJA ZA UDOBNOST VAŠEG DOMA.

Ljudi su društvena bića, naš život ovisi o susretima i druženju. Možemo biti sretni ako se naš društveni život odvija u urednim, bojama usklađenim i našim potrebama prilagođenim prostorima. Prvi u nizu takvih prostora svakako je naš dom, gdje naš utjecaj na uređenje okruženja u kojem boravimo može biti najveći.

Prema vlastitoj želji uređujemo dnevnu sobu, taj glavni prostor za druženje i odmor. Dragocjeno je ako opremu možemo odabrati kako po količini, tako i po vrsti, bojama… Predsoblje kao prostor u kojem se susrećemo, odlazimo i vraćamo također uređujemo prema vlastitim idejama u smislu boja i oblika. Pritom se ne smije zaboraviti na dodatne potrebe kao što je pohrana odjeće, obuće i, u konačnici, posljednji pogled u ogledalo prije odlaska.

Tako opremljeni prostori atraktivni su za stanare kao i za posjetitelje – jednostavno nas privlače.

MAGNET!

LIVING ROOMS AND ENTRYWAYS FOR THE COMFORT OF YOUR HOME.

Humans are social creatures, we are vitally dependent on meeting and socializing. We can be happy if our social life takes place in neat, colour-coordinated places, adapted to our needs. The first in a series of such places is definitely our home, where the influence we have on the arrangement of our living environment is the most prominent.

We can arrange our living room, that primary area for socializing and rest, according to our own wishes. It is valuable if we can choose the equipment according to quantity, type, colours… We can also arrange the hallway as a place for meeting, leaving, and returning, according to our own ideas regarding colours and shapes. At the same time, we should not forget about all the other needs, such as storing clothes, shoes, and last but not least – that final look in the mirror. Rooms furnished this way are attractive to residents and visitors alike – they draw us to them.
